# Choice Program: Report Due Date

- **New Schools:** By the first weekday in May of the school year immediately preceding the first school year in which a first-time participant intends to participate in the choice program, the first-time participant shall file with the department the hours of instruction for the upcoming school year. New schools submit a report using the DPI Hours of Instruction Calculator found on the [Private School Choice Programs: School Submitted Reports webpage](#). The hours of instruction shall comply with the requirements under s. [118.60 \(2\) \(a\) 8](#), Stats., and s. [PI 48.06 \(6\)](#).
- **All Schools:** Due annually by last weekday of September, schools submit the hours of instruction in the Online Application System (OAS) in the September Count Report. The DPI highly recommends using the Hours of Instruction Calculator to ensure the school is providing the number of hours of direct student instruction required. Please see [Training 9-3: 3rd Friday in September & 2nd Friday in January Count Reports](#) for more information on how to submit this report.
- **Revisions** are allowed if there are unplanned changes to schedule, such as snow days. Changes to the hours of instruction do not need to be reported, with the exception if school shortens the school term from what was reported. A school should report the earlier last day of school to the department using the [School Information Update form](#) prior to the change.

4

New schools must show the DPI, by the first weekday in May of their first year, how they will meet this requirement. New schools will need to submit the DPI Hours of Instruction Calculator found on the Private School Choice Programs: School Submitted Reports webpage. The following slides of this PowerPoint will review this Excel Report.

Schools that are continuing in the Choice program must submit their hours of instruction to the DPI in the September Count Report via OAS annually by last weekday of September, certifying that they will meet the requirement for the upcoming year. Please see Training 9-3: 3rd Friday in September & 2nd Friday in January Count Reports for more information on how to submit this report.

Schedules can change, and revisions are allowed. General revisions to the schedule are not required to be reported to the DPI. *The DPI may request validation the school's reported hours are accurate. It is highly recommended* that schools use the DPI Hours of Instruction Calculator found on the Private School Choice Programs: School Submitted Reports webpage. If it is necessary to shorten the school term, *a school must get prior approval from the department* to end school on an earlier date prior to the change. **School should use the School Information Update form to report this change. It is highly recommended the school reports this change and gets prior approval before May 1.**

## Hour of Instructions Report: Excel Instructions Tab

- 1) Use the Hours of Instruction Checklist to assist you in completing the report.  
(**Note:** *Checklist* does *not* need to be sent to the DPI.)
- 2) Download the Excel document from the Choice [School Submitted Reports](#) webpage.
- 3) Save a copy of the file on your local system.
- 4) See the tabs at the bottom of the report to access all required sheets:

The Hours of Instruction report and Checklist is posted to the DPI Private School Choice Programs web page under School Submitted Reports.

To have the best experience and full functionality with the report save a copy of the Excel file on your local system with access for relevant staff. The school will want to be able to revise the report later in the year if necessary.

There are tabs at the bottom of the report that will link you to the required pages of the report.

**Google Sheets**

This form may not be completed or submitted using Google sheets. It must be completed in Microsoft Excel and submitted as an attached Microsoft Excel document.

**Protected Cells**

The cells in the spreadsheet have been protected so that input can only be placed in cells that need information. Use the Tab key to move to the cells that will accept input. When filling out the form on the computer, only the cells highlighted in “yellow” are to be filled out.

**Use of Cut & Paste**

**Be aware** that using “cut and paste” could damage the spreadsheet. Do not “cut” any cells. Do not use the space bar to delete information that you wish to delete from any cell. The spreadsheet will read a space as if it were text. Use the delete key or backspace to remove information in any cell. However, the school can “copy and paste.”

**Report Submission**

Once the report is complete, the Choice Administrator must electronically sign the cover page and email the report as an Excel document to [privateschoolchoice@dpi.wi.gov](mailto:privateschoolchoice@dpi.wi.gov). The school should retain a copy of the spreadsheet for its records. The report should NOT be sent as a pdf, faxed or mailed to the department. Continuing schools must email the report to DPI by **May 1, 2020**. **Schools new to the choice program must email the report by January 10, 2020.**

Do not email the report to individual Choice team members or have individual Choice team members cc'd on reports emailed to [privateschoolchoice@dpi.wi.gov](mailto:privateschoolchoice@dpi.wi.gov), unless specifically requested.

### Step 3 – Typical Days Off

The following are typical days that school is not in session. Indicate "Yes" if there will be vacation or holiday for those day(s). Insert "No" if school will not be in session or if school will not have started or will have already ended. The number of days off are automatically included for Labor Day, Martin Luther King Jr Day, and Memorial Day, if the school identifies it is off for those days. For any remaining vacation/holidays that the school will have off, complete the **full days off** and **partial days off** columns with the number of full or partial days the school will have off and the total number of hours and minutes it will have off.

STEP 3-TYPICAL DAYS OFF

The following are typical days that school is not in session. Indicate "Yes" if there will be vacation or holiday for those day(s). Insert "No" if school will not be in session or if school will not have started or will have already ended. The number of days off are automatically included for Labor Day, Martin Luther King Jr Day, and Memorial Day if the school identifies it is off for those days. ### Step 4 – Partial/Early Release Days

Include any early release days or partial days in Step 4 that are not already included in Step 2 or 3. If the school has an early release every week, the early release should be included in Step 2 rather than in this Step. For example, if the school has 8 hours of instruction Monday through Thursday and 4 hours of instruction on Friday, 4 hours should be inserted on Line 8 and each Friday should not be identified as an early release day in this step.

If needed, you may list several dates on a single line.

STEP 4-PARTIAL/EARLY RELEASE DAYS						
Include any early release days or partial days below that are not already included in Step 2 or 3. If the school has an early release every week, the early release should be included in Step 2 rather than in this Step. For example, if the school has 8 hours of instruction Monday through Thursday and 4 hours of instruction on Friday, 4 hours should be inserted on Line 8 and each Friday should not be identified as an early release day in this Step.

DO NOT include the dates school will not be in session before the beginning date or after the end date, even if the first week or last week of school is not a full week. The hours for these dates are automatically included in the calculation.

**Step 6 – Instructional Hours**

STEP 6 will summarize the hours of instruction provided and the number of hours required.

28	Required Instructional Hours <i>This is the minimum number of hours the school must have.</i>	-
29	Recommended Instructional Hours <i>The DPI recommends having at least 32 extra hours for unplanned days off.</i>	-
30	Do the hours meet the requirement? <b>Yes</b>	

At the bottom of the page, STEP 6 will summarize the hours of instruction provided and the number of hours required.

We recommend that schools add extra hours to their total hours to account for unplanned days off, such as snow days.

The bottom line will indicate whether the requirement is met or not.

The spreadsheet will calculate whether your school will meet the required hours or not.

Complete the sheet for each grade offered by the school.

Make sure each page has a “Yes” at the bottom of the page.

## Report Submission

- After all pages have been completed and show no error messages, **save your data on the school's computer/server.**
- The Choice Administrator for a new school must sign and date the cover sheet, then submit the Excel file to the DPI by the due date. The report must be emailed to [privateschoolchoice@dpi.wi.gov](mailto:privateschoolchoice@dpi.wi.gov) **from the Choice Administrator's email.** See the Excel Instruction tab on report for additional information.
- Continuing schools, do not need to submit [DPI Excel Hours of Instruction Calculator](#) but may use it to help them complete the annual hours of instruction submission in OAS through the September Count Report.

21

21

Save this report on your computer or in a location where others may access it for future revisions or review.

After all pages of the report are completed, the Choice Administrator must electronically sign and email the Excel report to [privateschoolchoice@dpi.wi.gov](mailto:privateschoolchoice@dpi.wi.gov).

Continuing schools may use the DPI Hours of Instruction Calculator in the report to help them complete the annual hours of instruction submission in OAS through the September Count Report. Please see [Training 9-3: 3rd Friday in September & 2nd Friday in January Count Reports](#) for more information about that submission. However, continuing schools do not need to submit the Hours of Instruction Calculator. DPI highly recommends having one filled out on file at the school.
